Hey Yasmin,

Sorry you couldn't get hold of me – I've been training all day & have a GI now.

Clio is going to jump on the phone for a half hour now & try & book some people in.

I have already organised the meeting to be rescheduled so you can organise a support person – Let me know when your support person can attend & we can reschedule accordingly.

Cheers,
Ray

Subject: Recruitment update

Hi Ray,

Have tried to reach you a few times today on the phone but have been unable to get through.

I only have two people booked in for tomorrow's group interview and haven't had time to screen today – Is there any chance Clio might be able to help with screening this afternoon?

We have had two new starters from last week resign today and one of our new starters – Thandazile hasn't showed up and is uncontactable so I will take this as her declining the position.

In regards to our meeting, I am unable to organize a support person to come in tomorrow but am happy to go through with the meeting anyway. Let me know what you would like to do.

Thank you,

Yasmin Smith
